The Los Angeles County Registrar-Recorder/County Clerk (RR/CC) is proud to announce that L.A. County voters will have a modernized website for the upcoming November 4, 2014 General Election.

The new website (www.lavote.net) provides information in a cleaner format that is user-friendly for mobile devices and desktops.

Voters can access a variety of important information for the election, including:

- [Register to Vote](#)
- [Check Your Voter Registration Status](#)

- [Check Your Vote by Mail Application Status](#)

The new website provides a user-friendly experience with easy navigation and functionality, allowing the public to access a wide range of information on essential elections and records management services.

“We need to recognize that having a user-friendly website is essential in an age where more and more people use the internet as their primary source of information and the first point of contact with the RR/CC,” said Dean C. Logan, the Registrar-Recorder/County Clerk.

The mission of the Registrar-Recorder/County Clerk is to serve Los Angeles County by providing essential records management and election services in a fair, accessible and transparent manner. For more information, visit www.lavote.net.
