Vote by Mail Ballots Mailed for the March 2 Special Elections

LOS ANGELES – The Los Angeles County Registrar-Recorder/County Clerk (RR/CC) began mailing Vote by Mail ballots to all registered voters for the March 2 Senate District 30 Special Primary Election and Special Elections.

A Vote by Mail ballot will be sent to every registered voter to ensure safe and accessible voting options during COVID-19.

Voters can track their ballot with [Where's My Ballot](#). This easy-to-use tracking tool sends voters automatic notifications when their ballot has left the post office and provides an estimated time of arrival.

We encourage voters to safely participate in this election returning their mail-in ballot **early**. There are several safe return options available:

- Return by mail, no postage required – must be postmarked by Election Day
- Drop off at a [Ballot Drop Box](#)
- Drop off at a [Vote Center](#)

Starting today, voters can visit the RR/CC Headquarters in [Norwalk](#) to safely vote early in-person. All public health and safety guidelines will be followed, and voters will be required to wear a facial covering.

The mission of the Registrar-Recorder/County Clerk is to serve Los Angeles County by providing essential records management and election services in a fair, accessible and transparent manner. For more information, visit lavote.net and follow us on Twitter [@LACountyRRCC](#).
