

UseCaseID	PW020
Module	Election Worker
SubModule	
Summary	Attach Documents and Images to Election Worker Records
Description	Need ability to attach documents and Images. These attachments could be correspondence, pictures, proof of attendance etc....
Precondition	User has required Security Level in Election Worker module to add, update or delete attachments.
ExpectedResult	An "Attachment" button will be available. The button will be in bold if there are existing attachments.
DetailedProcessFlow	<ol style="list-style-type: none"> 1. User will open Find Election Worker Record. 2. System shall display Election Worker Screen. 3. User will click "Attachment" button. (If there is an existing attachment, the button will be bolded to stand out.) 4. System will display list of attachments. 5. User will select an attachment from the list by double clicking. 6. System shall open and display the attachment. 7. There shall also be a "NEW" button. The "NEW" button will give an option to the User to navigate and select folder to find the file to be attached. 8. User will navigate and find the file and select the file. 9. System will attach the file to the record. 10. The "Attachment" button now will be bold. 11. User will click OK or SAVE button. 12. System will save the attachments.
AlternateFlow	
Parent	
Requirements	UC-PW020-01 System to provide several options as a dropdown to store attachments such as : correspondence, pictures etc..... UC-PW020-02 All attachments should be linked on the Worker table (maintenance table).
RequirementID	
Gap	
Risk	Without this feature, the PW correspondence such as letters or complaints cannot easily be retrieved and saved.
