If the candidate refuses to correct the improper language, the **COUNTY ELECTIONS OFFICIAL**, as well as any other voter, may bring legal action against the candidate to correct the statement. The prevailing party may also be entitled to obtain attorney's fees for bringing the action.

The **COUNTY ELECTIONS OFFICIAL** will not accept language in a candidate statement that in any way makes reference to other candidates or to another candidate's qualifications, character, or activities pursuant to California Elections Code Section 13308. For these candidates, the **COUNTY ELECTIONS OFFICIAL** will remove the improper language from the statement and not allow it to be printed. The candidate will be notified of the improper language and its removal from the statement.

All prospective candidates may want to refer to California Elections Code Sections 13307, 13308, 13311, 13313, and 13314, as well as the California Court of Appeal ruling in *Dean v. Superior Court*, (1998 4th Dist.) 62 Cal. App.4th 638. However, this list is not exhaustive and candidates are solely responsible for preparation and submittal of candidate's statements that are in conformance with the law. A copy of the above described Elections Code Sections and the *Dean* decision are available from our office at no cost.

Write-In Candidates

GENERAL INFORMATION FOR WRITE-IN CANDIDATES

(Election Code §§ 8600 and 8601)

A person who has not followed the usual procedure for placing his or her name on the ballot for the election may still be elected to office as a write-in candidate.

You may file the required forms to run for office as a write-in candidate no later than 14 days prior to Election Day.

A write-in candidate **is not required** to pay a filing fee.

NOMINATION PAPERS – The required number of signers to a write-in candidate’s nomination paper for the respective office is **20** nominating signatures.

FILING DEADLINE

FEB. 21 (M)
through
APR. 5 (Tu)
5:00 P.M.

E - 57 - 14

**FIRST AND LAST DAY TO FILE STATEMENT
OF WRITE-IN CANDIDACY**

Write-in candidacy forms must be filed with the Registrar-Recorder/County Clerk **NO LATER THAN 5:00 P.M. ON THE 14th DAY** prior to the election.

All candidates are urged to file the following documents as early as possible.

STATEMENT OF WRITE-IN CANDIDACY – Refer to the General Information for Nomination of Candidates in Chapter 3 of Section 1 of this handbook.

CANDIDATE CAMPAIGN STATEMENT FORMS – If you have any questions regarding the completion of this form, contact the Campaign Finance and Proposition B Section at (562) 462-2339.

ELECTION RESULTS FOR WRITE-IN CANDIDATES

Write-in election results are not determined until the canvass is completed. California election law allows a prescribed number of days for the conduct of the official canvass. During the official canvass, write-in ballots must be individually reviewed to determine if the write-in vote is for a qualified/unqualified write-in candidate and whether a voter has overvoted. All aspects of the canvass shall be open to the public. **Write-in votes are counted and certified in an election only if qualified candidates have filed the required nomination documents with the elections official.**

OFFICES OMITTED FROM BALLOT – Prospective write-in candidates should note that write-in candidacy is possible only if the office appears on the ballot. When school and UDEL contests are involved, if the number of persons qualifying for the ballot does not exceed the number of offices to be filled, the election is cancelled and eligible candidates are appointed in lieu of the election. California law however, provides that for such offices a petition indicating that a write-in campaign will be conducted must have been filed with the elections official to require the office(s) be placed on the ballot by means of a petition drive. (E. C. §§ 8203 and 10515; Ed. Code § 5326)

NAME DOES NOT APPEAR ON BALLOT – The candidate's name does not appear on the ballot. The candidate is not entitled to a candidate statement in the Official Sample Ballot Booklet. (E. C. § 302)

WRITE-IN CANDIDATES TO BE ELECTED

A write-in candidate running for a school district governing board member office must receive more votes than any other candidate running for that office. When more than one office is to be filled, those candidates, including qualified write-in candidates, who receive the highest number of votes equal to the number of offices to be filled are elected. (E. C. § 10551)

REVIEW OF REPORTING REQUIREMENTS
Campaign Disclosure Filing Requirements for ALL
Candidates and Committees

PLEASE READ CAREFULLY....

The Political Reform Act imposes certain duties and obligations on candidates, officeholders, committee treasurers and others participating in the political process. For example:

- Detailed records must be maintained for all financial activity, and contributions received for political purposes must not be commingled with personal funds.
- Campaign statements must be filed at specified times disclosing contributions received, expenditures made, and other financial information. In some cases, candidates can avoid filing long form campaign statements by submitting a “Candidate and Officeholder Campaign Statement Short Form (Form 470).”
- Campaign statements must be hand delivered or postmarked as first-class mail by the legal filing deadline date established by law. NOTE: The **second pre-election statement** must be filed in person or guaranteed overnight delivery. Mail which is not received by the filing officer shall be presumed not to have been sent unless the filer possesses a postal receipt establishing the date of the deposit, and the name and address of the addressee.
- The Political Reform Act provides a formula for assessing late fines of original campaign statements filed in our office. The fine is \$10 per day, starting the day after the filing deadline, until the statement is filed; however, no liability may exceed the cumulative amount of reported contributions, expenditures, of the Form 460 or \$100, whichever is greater.

Failure to submit a required statement is a misdemeanor. Persons who fail to submit required statements are referred to the Fair Political Practices Commission.

DEFEATED CANDIDATES

Defeated candidates must file campaign disclosure reports until the campaign committee has been terminated by filing Form 410 (see part 5).

It is recommended that campaign disclosure statements be mailed by certified mail or by purchasing a certificate of mailing. This will eliminate any question regarding receipt of your statement.

Unsigned forms are incomplete and are not considered filed until they are signed.

PART 1

LEGISLATIVE INTENT. CHAPTER 976, 1977 STATUTES.

The Legislature finds and declares:

(a) That a need exists for adequate identification of the source of campaign appeals directed at the voters in order to assist them in making rational decisions at the polls.

(b) That by requiring such identification of campaign literature, the public is better able to evaluate the source of campaign material, may be more adequately informed, and can better distinguish between truth and falsity.

(c) That by requiring identification, anonymous attacks, which cannot adequately be responded to in the heat of a campaign, will be discouraged.

(d) That by requiring identification, a candidate who believes he or she has been libeled may more readily seek redress in a civil action for damages.

(e) That limiting identification requirements to pejorative campaign material is inadequate because subtle attacks on candidates or measures can be framed which appear to be supportive but, in fact, are pejorative.

(f) That a distinction needs to be made between campaign materials of small size that usually carry little more than a "Vote for _____" message, such as is often the case with buttons, matchbooks, pens, and the like, on the one hand, and campaign materials which carry more complex messages, on the other. In the case of the former, because of their characteristically small size and limited content, it would be an undue burden to require that identification as to source be included.

PART 2

MASS MAILINGS

Definition.

"Mass mailing" means over two hundred substantially similar pieces of mail, but does not include a form letter or other mail which is sent in response to an unsolicited request, letter or other inquiry.

Gov. Code § 82041.5

Manner of sending mass mailings.

(a) Except as provided in subdivision (b), no candidate or committee shall send a mass mailing unless the name, street address, and city of the candidate or committee are shown on the outside of each piece of mail in the mass mailing and on at least one of the inserts included within each piece of such mailing in no less than 6-point type. A post office box may be stated in lieu of a street address if the organization's address is a matter of public record with the Secretary of State.

GENERAL CAMPAIGN INFORMATION (Cont'd)

(b) If the sender of the mass mailing is a single candidate or committee, the name, street address, and city of the candidate or committee need only be shown on the outside of each piece of mail.

(c) If the sender of a mass mailing is a controlled committee, the name of the person controlling the committee shall be included in addition to the information required by subdivision (a).

Gov. Code § 84305

Newsletter or mass mailing.

No newsletter or other mass mailing shall be sent at public expense.

Gov. Code § 89001

PART 3

TRUTH IN ENDORSEMENTS LAW

Legislature's findings.

The Legislature hereby finds the following to be true:

(1) The major political parties have become an integral part of the American governmental system requiring regulation as to their structure, governing bodies, and functions by state government in the public interest.

(2) The Legislature has found it necessary and appropriate in the regulation of political parties to create and provide for the convening of state conventions, state central committees, and county central committees for parties qualified by law to participate in the direct primary election, by statute.

(3) Over the several years preceding the adoption of this section organizations of electors using as a part of their names the name of a political party qualified to participate in the direct primary election have endorsed candidates for nomination of that party for partisan office in the direct primary election and have publicized and promulgated such endorsements in a manner which has resulted in considerable public doubt and confusion as to whether such endorsements are those of a private group of citizens or of an official governing body of a political party.

(4) The voting public is entitled to protection by law from deception in political campaigns in the same manner and for the same reasons that it is entitled to protection from deception by advertisers of commercial products. **E. C. § 20001**

Restraining order or injunction.

The superior court, in any case brought before it by any registered voter, may issue a temporary or permanent restraining order or injunction against the publication, printing, circulation, posting, broadcasting, or telecasting of any matter in violation of this chapter, and all cases of this nature shall be in a preferred position for purposes of trial and appeal, so as to assure the speedy disposition thereof.

E. C. § 20006

GENERAL CAMPAIGN INFORMATION (Cont'd)

Representation requirements.

No candidate or committee in his or her behalf shall represent in connection with an election campaign, either orally or in campaign material, that the candidate has the support of a committee or organization which includes as part of its name the name or any variation upon the name of a qualified political party with which the candidate is not affiliated, together with the words "county committee," "central committee," "county," or any other term that might tend to mislead the voters into believing that the candidate has the support of the party's county central committee or state central committee, when that is not the case.

This section shall not be construed to prevent a candidate or committee from representing that the candidate has the support of a committee or group of voters affiliated with another political party, which committee or group is identified by the name of that party, where the name of the committee or group also includes the name of the candidate.

Any member of a county central committee or state central committee may commence an action in the superior court to enjoin misrepresentation by a candidate or committee in his behalf, in the manner prohibited by this section, to the effect that the candidate has the support of the state or county central committee involved.

E. C. § 20007

Political advertisement requirements.

Any paid political advertisement that refers to an election or to any candidate for state or local elective office and that is contained in or distributed with a newspaper, shall bear on each surface or page thereof, in type or lettering at least half as large as the type or lettering of the advertisement or in 10-point roman type, whichever is larger, the words "Paid Political Advertisement." The words shall be set apart from any other printed matter.

As used in this section "paid political advertisement" shall mean and shall be limited to, published statements paid for by advertisers for purposes of supporting or defeating any person who has filed for an elective state or local office.

E. C. § 20008

Simulated ballot requirements.

(a) Every simulated ballot or simulated sample ballot shall bear on each surface or page thereof, in type or lettering at least half as large as the type or lettering of such statement or words or in 10-point roman type, whichever is larger, in a printed or drawn box and set apart from any other printed matter, the following statement:

"NOTICE TO VOTERS"

(Required by Law)

"This is not an official ballot or an official sample ballot prepared by the county elections official or the Secretary of State."

"This is an unofficial, marked ballot prepared by _____ (insert name and address of the person or organization responsible for preparation thereof)."

GENERAL CAMPAIGN INFORMATION (Cont'd)

Nothing in this section shall be construed to require this notice in any editorial or other statement appearing in a regularly published newspaper or magazine other than a paid political advertisement.

(b) No simulated ballot or simulated sample ballot referred to in subdivision (a) shall bear any official seal or the insignia of any public entity, nor shall that seal or insignia appear upon the envelope in which it is mailed or otherwise delivered.

(c) The superior court, in any case brought before it by any registered voter, may issue a temporary or permanent restraining order or injunction against the publication, printing, circulation, posting, or distribution of any matter in violation of this section, and all cases of this nature shall be in a preferred position for purposes of trial and appeal, so as to assure the speedy disposition thereof.

E. C. § 20009

No pictures of candidates in campaign material.

(a) Except as provided in subdivision (b) no person, firm, association, corporation, campaign committee, or organization may, with actual malice, produce, distribute, publish, or broadcast campaign material that contains (1) a picture or photograph of a person or persons into which the image of a candidate for public office is superimposed or (2) a picture or photograph of a candidate for public office into which the image of another person or persons is superimposed. "Campaign material" includes, but is not limited to, any printed matter, advertisement in a newspaper or other periodical, television commercial, or computer image. For purposes of this section, "actual malice" means the knowledge that the image of a person has been superimposed on a picture or photograph to create a false representation, or a reckless disregard of whether or not the image of a person has been superimposed on a picture or photograph to create a false representation.

(b) A person, firm, association, corporation, campaign committee, or organization may produce, distribute, publish, or broadcast campaign material that contains a picture or photograph prohibited by subdivision (a) only if each picture or photograph in the campaign material includes the following statement in the same point size type as the largest point size type used elsewhere in the campaign material: "This picture is not an accurate representation of fact." The statement shall be immediately adjacent to each picture or photograph prohibited by subdivision (a).

(c) (1) Any registered voter may seek a temporary restraining order and an injunction prohibiting the publication, distribution, or broadcasting of any campaign material in violation of this section. Upon filing a petition under this section, the plaintiff may obtain a temporary restraining order in accordance with Section 527 of the Code of Civil Procedure.

GENERAL CAMPAIGN INFORMATION (Cont'd)

(2) A candidate for public office whose likeness appears in a picture or photograph prohibited by subdivision (a) may bring a civil action against any person, firm, association, corporation, campaign committee, or organization that produced, distributed, published, or broadcast the picture or photograph prohibited by subdivision (a). The court may award damages in an amount equal to the cost of producing, distributing, publishing, or broadcasting the campaign material that violated this section, in addition to reasonable attorney's fees and costs.

(d) (1) This act shall not apply to a holder of a license granted pursuant to the Federal Communications Act of 1934 (47 U.S.C. § 151 et seq.) in the performance of the functions for which the license is granted.

(2) This act shall not apply to the publisher or an employee of a newspaper, magazine, or other periodical that is published on a regular basis for any material published in that newspaper, magazine, or other periodical. For purposes of this subdivision, a "newspaper, magazine, or other periodical that is published on a regular basis" shall not include any newspaper, magazine, or other periodical that has as its primary purpose the publication of campaign advertising or communication, as defined by Section 304.

E. C. § 20010

PART 4

PRINTING OF SIMULATED SAMPLE BALLOTS

In addition to any other penalty, any person who prints or otherwise duplicates, or causes to be printed or duplicated, a simulated ballot or simulated sample ballot that does not contain the statement required by Section 20009 or that uses an official seal or insignia in violation thereof, is guilty of a misdemeanor.

E. C. § 18301

PART 5

DISTRIBUTION OF PRECINCT POLLING PLACE INFORMATION

Every person is guilty of a misdemeanor who knowingly causes to be mailed or distributed, or knowingly mails or distributes, literature to any voter which includes a designation of the voter's precinct polling place other than a precinct polling place listed for that voter in an official precinct polling list that constituted the latest official precinct polling list at sometime not more than 30 days prior to such mailing or distribution.

E. C. § 18302

E. C. § 18371

The local elections official can assist you in your vote by mail voter drive. He or she can provide information to ensure that your application format is correct, as well as other important details. Failure to make early contact with the elections official could result in delays or problems which might interfere with your intended goal of enabling people to vote by mail.

If you need assistance or have any further questions concerning use of the vote by mail voter application form, please call Mr. Steve Logan, Head, Document Receipt and Vote by Mail Voting Section at (562) 462-2381.

(b) Uniform Vote By Mail Voting Application

Pursuant to Elections Code § 3007, the Secretary of State has prepared a uniform application format for a vote by mail voter's ballot for use by all individuals, organizations and groups distributing vote by mail voter applications. (c) Important Vote By Mail Ballot Application Information

Some of the important points you need to be aware of in your effort to distribute applications for vote by mail ballots include:

- (1) In order to ensure accuracy, the voter should fill out all the information on the application himself or herself. The law does, however, permit the following information to be preprinted on the application form prior to distribution to the voter:
 - (a) The voter's name and residence address as they appear on the voter's affidavit of registration.
 - (b) The name and date of the election for which the vote by mail ballot is being requested.
 - (c) The deadline date by which the application must be received by the elections official.

GENERAL CAMPAIGN INFORMATION (Cont'd)

- (2) There is a separate section of the form for the voter to indicate a "mailing address" if he or she receives mail at an address other than his or her residence address. This section of the form may **only** be completed by the voter (**mailing address information may not be printed by the person, group or organization distributing the applications**).
- (3) The voter must personally affix his or her signature.
- (4) The mailing address to which a vote by mail ballot is requested to be sent may not be the address of any political party, political campaign headquarters, or a candidate's residence. This provision, of course, does not apply to the candidate or the candidate's immediate family members or housemates who requests that a vote by mail ballot be mailed to the candidate's residence address.
- (5) Any application containing preprinted information shall contain the following statement (verbatim):

You have the legal right to mail or deliver this application directly to the local elections official of the county where you reside.

This statement must be conspicuously printed on the application form.

- (6) The name, address and telephone number of any organization, individual or group which authorizes the distribution of applications shall be printed on the application.
- (7) Any individual, organization or group that distributes applications for vote by mail voter ballots and receives completed application forms back from voters shall deliver the forms to the appropriate elections official **within 72 hours** of receiving the completed forms. Note that Elections Code § 18576 makes it a misdemeanor to delay the proper return of a vote by mail voter application.
- (8) Any application for a vote by mail voter's ballot which is sent by a group or organization to a voter shall be sent by non-forwardable mail.
- (9) Any individual, group or organization that knowingly distributes any application for a vote by mail voter's ballot which does not conform to the requirements of the vote by mail voter provision is guilty of a misdemeanor. **E. C. § 18402**

PART 11

INFORMATION ON FEDERAL LAW PROHIBITING FOREIGN NATIONALS FROM MAKING CONTRIBUTIONS OR EXPENDITURES

Federal law prohibits foreign nationals from making contributions or expenditures in connection with any U.S. election (federal, state, or local), either directly or through another person. This prohibition applies to foreign-owned corporations and associations, as well as to foreign governments, political parties and certain individuals and partnerships. Additionally, U.S. candidates for federal, state and local offices are prohibited from accepting contributions from these sources.

The ban on political contributions and expenditures by foreign nationals was first enacted in 1966 as part of the amendments to the Foreign Agents Registration Act (FARA), an "internal security" statute. The goal of the FARA was to minimize foreign intervention in U.S. elections by establishing a series of limitations on foreign nationals. These included registration requirements for the agents of foreign principals and general prohibition on political contributions by foreign nationals. In 1974, the prohibition was incorporated into the Federal Campaign Act which gave the Federal Election Commission (FEC) jurisdiction over its enforcement and interpretation.

If you have any questions on this matter, please call the FEC in Washington, D.C. at 800 424-9530 or (202) 219-3420.

MULTILINGUAL VOTING
SERVICES

MULTILINGUAL VOTING SERVICES

OVERVIEW OF MULTILINGUAL (ML) VOTER SERVICES PROGRAM

BACKGROUND

Public Law 102-344 extended the Voting Rights Act of 1965 (VRA) to federally mandate that Los Angeles County provide written and oral election assistance to limited-English, Chinese, Japanese, Korean, Spanish, Tagalog/Filipino and Vietnamese-speaking voters. In January 2000, the Department of Justice further directed this office to **transliterate** the names of candidates in those languages that do not use Roman Characters. (*Transliteration* is the process of reproducing phonetic sounds as closely as possible from one alphabet or writing system into another.) These languages include Chinese, Japanese and Korean.

TRANSLATION OF ELECTION MATERIALS

A language is considered to be covered by the Voting Rights Act (VRA) and thus mandatory for translation of election materials if 1) more than 5% of the citizens of voting age are members of a single language minority and are limited English proficient (LEP) or 2) more than 10, 000 of the citizens of voting age are members of a single language minority and are limited English proficient.

Although the VRA has established a 5% threshold for languages to be covered, Los Angeles County has set a 3% standard as established by the State Elections Code (§14201.) to provide minority language materials in every election. If the number of eligible voters for a specific language is higher or equal to the 3% criteria, that language qualifies for translation. Languages that fall under the 3% criteria do not qualify for translation. This criteria not only identifies the election district/city areas throughout the county with a cost-effective method of meeting the VRA requirements, but also helps minimize printing/translation costs for election jurisdictions. The six minority languages that are required by Federal mandates in Los Angeles County are Chinese, Japanese, Korean, Spanish, Tagalog/Filipino and Vietnamese.

IMPLICATIONS TO CANDIDATE COST

The County will automatically provide *translated sample ballot booklets* to voters who request it two weeks before the election and after they received the English Sample Ballot booklet. However, as noted in the *Candidate Statements* (see page 24 of Section 1) there is a cost for a Spanish translated candidate statement which appears in the English sample ballot booklet. This translation is optional and the candidate needs to make a request for this service and pay for it when he/she files candidate statements with the county elections official.

TRANSLITERATION OF CANDIDATE NAMES

For certain languages, this department will transliterate your name. Candidate names will be transliterated to Chinese, Japanese and Korean. Candidates will also be permitted to submit their own transliterations for each or all of these languages. A review period will be established to allow candidates to request changes prior to the translated sample ballot print deadline. Various minority community groups and news media assist this office by reviewing submitted transliterations to insure uniform name recognition within the community. Once transliterations are considered final, no further changes or submission of transliteration requests will be accepted after the review period. **There will be no exceptions.**

All candidates will be required to file a transliteration form (see next page) together with their nomination documents. Transliteration forms must be submitted no later than the last day to file nomination documents.

TRANSLITERATION REVIEW PERIOD

Candidates may review transliteration of their names. Requests for changes must be submitted to the county elections official only during the established review period. Timeframe: **E-62 through E-60** (subject to change). To review your transliterated name and obtain the schedule for the established review period, you may call (562) 462-2730.

MULTILINGUAL VOTER SERVICES

The ML Voter Services Program includes services such as:

- ◆ Bilingual Assistance Hotline (1-800) 481-8683.
- ◆ Translated election materials can be mailed to voters before every election, upon request.
- ◆ Bilingual assistance at targeted polling places.

Translated copies of the "ML Voter Services" brochure are available at the RR/CC Election Information counter, 2nd Floor Room 2013 and online at www.lavote.net. For further assistance please contact our Multilingual Services Section at (562) 462-2832.

ELECTION DAY

ELECTION DAY

ENHANCED VOTING SYSTEM – INKAVOTE PLUS

For the April 19, 2011 Arcadia Unified School District Board of Education Election, voters will be using the InkaVote Plus voting system at all voting precincts on Election Day. InkaVote Plus enhances the existing InkaVote optical scan system to comply with new federal Help America Vote Act (HAVA) requirements. The enhanced system allows disabled voters, including those who are blind and visually impaired, to cast a ballot privately and independently using an audio headset. Additionally, the InkaVote Plus system will provide all voters with the opportunity to have their ballots reviewed for errors prior to casting their votes.

After using the inking device provided to mark the InkaVote ballot, the voter will insert the ballot into the ballot box through a new machine (as shown in picture). The machine will alert the voter if a mistake occurred - for example, if a voter *“overvoted”* in any one contest for more candidates than allowed. The voter may then receive a replacement ballot to correct the error.
