Module	Voter Registration
SubModule	
Summary	Cancel voter registration. RR/CC does not expect a one-to-one relationship with the outlined steps so long as the outcomes / results are met
Description	For various reasons, voters will have their voter registration cancelled. The system will identify voters that have not voted in the last two federal elections and allow staff to cancel them. Voters who have provided an updated residential address in a different county will be cancelled. Responses to notices may also cancel a voter, if the response confirms the voter is a non-citizen, deceased, request to be cancelled, etc.
Trigger Events	- Voter requests for their registration to be cancelled - Response to notices, moved out of county, etc.
Precondition	Staff has appropriate user access rights to the system
ExpectedResult	The voters' registration record has been updated to reflect a cancellation and the voter has been removed from the roll of eligible voters.
