LOS ANGELES – Los Angeles County Registrar-Recorder/County Clerk (RR/CC) Dean C. Logan announced the eighth post-Election Night ballot count update for the March 5, 2024 Presidential Primary Election.

The update includes **3,509** ballots processed since the seventh Post-Election Night update. The total election results count is now **1,635,248**, which is **28.78%** of registered voters. Election results can be viewed on LAVOTE.GOV.

- **Conditional Voter Registration ballots:** 4,000

The outstanding Vote by Mail ballots left to be processed are pending signature cures from voters whose signatures on the Return Envelope were missing or did not match their registration records. These voters have been notified with instructions on how to cure their ballots to be counted. The RR/CC will accept cure notices through March 27, 2024.
