BUSINESS SYSTEMS, INC TO GLOBAL 360, BGS, INC.
(All Supervisorial Districts) (3 Votes)**

**CIO RECOMMENDATION: APPROVE () APPROVE WITH MODIFICATION
() DISAPPROVE**

**JOINT RECOMMENDATION WITH CHIEF INFORMATION OFFICER THAT YOUR
BOARD:**

1. Approve and instruct the Chairman to sign the attached Amendment Number Three (Amendment) to Agreement Number 73912 (Agreement), effective upon Board approval, acknowledging the Board's written consent to assignment and delegation of authority from Hershey Business Systems, Inc. (HBSI), to Global 360, BGS, Inc. (Global 360) for software maintenance and support services for the Registrar-Recorder/County Clerk's (RR/CC) Real Property and Vital Records Document Imaging System. The Board adopted the Agreement with HBSI on February 19, 2002 for a two-year initial Term with three one-year renewal options. The Agreement is currently in the second renewal option year and expires February 18, 2006. If exercised, the third and final option year will expire February 18, 2007. The amount remaining in the Agreement is \$326,243. The cost is fully offset using Recorder Micrographics and Vital Records Trust Fund monies. There is no impact to the net County cost.
2. Authorize the Registrar-Recorder/County Clerk or her designee to exercise the renewal option under the terms of the Agreement if needed.

PURPOSE/ JUSTIFICATION OF RECOMMENDED ACTION:

The purpose of the recommended action is to request your Board's written consent to the assignment of the Agreement from HBSI to Global 360 for software maintenance and support services for RR/CC's Vital Records and Real Property Document Imaging System. The imaging system integration software was developed and installed by HSBI. The system is proprietary and is a part of the HBSI assets acquired by Global 360. Approval of this recommended action will allow the RR/CC to provide uninterrupted Real Property and Vital documents recording services.

Implementation of Strategic Plan Goals:

This request supports the County Strategic Plan as follows:

Goal No. 1: Service Excellence: Provide the public with easy access to quality information and services that are both beneficial and responsive. Approval of the recommendation will assure continuation of software maintenance and support services for the RR/CC Real Property and Vital Records Document Imaging System which is fundamental to RR/CC services to the general public.

Goal No. 3: Organizational Effectiveness: Ensure that service delivery systems are efficient, effective, and goal-oriented. The recommended action will ensure efficient and effective delivery of critical Departmental mission.

FISCAL IMPACT/ FINANCING:

The initial Agreement amount approved by the Board was \$1,480,000. Due to an increase in services needs, RR/CC exercised its Board delegated authority to increase the Agreement amount by \$55,520 for a maximum contact sum of \$1,535,520 on June 20, 2003. As of July 1, 2005, the Agreement amount balance is \$326,243 which is sufficient to cover the remaining contract term including the last option year, if exercised.

The cost to provide the contract services will be fully offset using the Recorder Micrographics and Vital Records Trust Fund revenues. There is no impact to the net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

The RR/CC's Vital Records and Real Property Document Imaging System is highly customized and provides for digital scanning, storage, easy retrieval access, and printing of the County's Real Property and Vital Records (Birth, Death and Marriage Records). The Document Recording Division records in excess of two million Real and Personal Property documents annually, and issues upward of 125,000 certified copies of these documents to businesses, professional, governments and private citizens. Additionally the Birth, Death,

and Marriage Records Section records approximately 250,000 certificates each year, and issues 700,000 certified copies.

On February 19, 2002, your Board approved a two-year Agreement with HBSI for hardware and software maintenance and support services for the RR/CC's Real Property and Vital Records Document Imaging System. HBSI developed and installed an imaging system utilizing Keyfile, OCR for AnyDocs and STARRS custom software. The STARRS custom software was developed for RR/CC use only and is not available from any other source. The STARRS software is proprietary and is owned by HBSI. The STARRS software allows for the passage of images from the two off-the-shelf products utilized by the RR/CC, Keyfile and OCR for AnyDocs into a cohesive system. Without the STARRS custom software, the Document Imaging System will not function.

In late September 2004, RR/CC learned that HBSI sold its government business segment to eiStream, Inc. and received written notification on October 27, 2004. RR/CC requested pertinent information necessary to perform a thorough analysis and evaluation of eiStream's corporate capabilities to meet all County and contract responsibilities for recommendation to your Board to approve the assignment and delegation of contract responsibilities. During the evaluation process RR/CC was informed of the corporate name change from eiStream, Inc. to Global 360, BGS, Inc. To assure uninterrupted contract services and disruption to operation, RR/CC exercised its option to extend the Agreement with HBSI for the second renewal option period effective February 19, 2005 through February 18, 2006. RR/CC completed the evaluation and found Global 360, BGS, Inc. to be a responsible contractor to assume the duties and responsibilities of the Agreement.

Upon Board approval of the assignment and delegation, Global 360 shall provide software license maintenance and upgrade support for Keyfile, OCR for AnyDocs and STARRS custom software, including on-request troubleshooting, analysis, operational support for the existing Document Imaging System and additional software licenses and maintenance support services as-needed to keep the system functioning properly.

The attached Amendment Number Three provides for the assignment and delegation of the Agreement rights and responsibilities from HBSI to Global 360 for the provision of software maintenance and support services for the RR/CC's Real Property and Vital Records Document Imaging System. The Amendment also includes a revised Statement of Work which was modified to reflect RR/CC's current service needs. All other terms and conditions of the Agreement shall remain unchanged.

The Agreement does not include a Cost of Living Adjustment provision and is not subject to the Living Wage Program (County Code Chapter 2.201).

The County's Chief Information Office concurs with the Department's recommendation.

Global 360 is in compliance with all Board, Chief Administrative Office (CAO) and County Counsel requirements. The CAO has reviewed and approved this Board Letter. County Counsel has reviewed this Board letter and approved the attached Amendment Number Three as to form.

CONTRACTING PROCESS:

There was no additional contracting process as the assignment and delegation of rights is in compliance with the existing Agreement.

IMPACT ON CURRENT SERVICES (OR PROJECTS):

Approval of the recommended Amendment will allow the RR/CC to receive uninterrupted software maintenance and support services for the Real Property and Vital Records Document Imaging System.

CONCLUSION

Upon approval and execution of this request, it is requested that the Executive Officer/Clerk of the Board, return one adopted stamped copy of the approved Board letter and two originally signed copies of the Amendment to:

Project/Contract Description:

The Registrar-Recorder/County Clerk (RR/CC) is requesting Board approval for Amendment Number Three to Agreement 73912 with Global 360, BGS, Inc. This Amendment will assign and delegate authority from Hershey Business Systems, Inc. (HBSI) to Global 360, BGS, Inc. (Global 360) for software maintenance and support services for the RR/CC's Real Property and Vital Records Imaging Systems. The term and contract amount are not impacted by this Amendment.

Background:

The RR/CC is required to maintain official records pursuant to Section 27322.2 of the Government Code. HBSI was a software integrator who assisted the RR/CC in developing the Vital Records and Real Property Document Management System that provides for the digital scanning, storage and easy retrieval access, and printing of the County's real property and vital records.

On February 19, 2002, your Board approved the base Agreement for an initial term of two years with three one-year renewals with HBSI for hardware and software maintenance and support services. The RR/CC has exercised two one-year renewals.

Project Justification/Benefits:

The Board's approval of this Agreement will assign and delegate authority from HBSI to Global 360, so that the Department may receive uninterrupted software maintenance and software support services for the Real Property and Vital Records Document Imaging Systems.

Project Metrics

The RR/CC has identified in the contract vendor service levels and response times for software maintenance and support of the existing system. The contract also identifies an escalation process that could lead to monetary penalties for deficient performance.

Impact If Proposal Is Not Approved

The Department's ability to record real property and vital records would be seriously impaired if the Board does not approve this agreement. Also, this would compromise the public's ability to access records.

Alternatives Considered:

Global 360 is uniquely qualified to maintain and support the Department's imaging system. The vendor acquired from HBSI key proprietary software that supports critical system functionality. Its custom application code, called System Tracking Archive Retrieval Redirect Solutions (STARRS), integrates two third-party software products, Optical Character Recognition for Forms (OCRFF) (scanning, quality assurance, optical character recognition, and verification), and Keyfile (image management and storage). A competitive procurement is

not practical because of the proprietary software used to integrate system components. This would be cost prohibitive because it entails a considerable amount of analysis and development to replicate the current system functionality.

Project Risks:

None

Risk Mitigation Measures:

None

Financial Analysis:

This Amendment has no net County cost impact; it does not affect the Contract maximum.

CIO Concerns:

None

CIO Recommendations:

The CIO recommends approval of this agreement.

IRS NOTICE 1015

Department of the Treasury
 Internal Revenue Service

Notice 1015

(Rev. December 2004)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

What's New. Workers cannot claim the EIC if their 2004 investment income (such as interest and dividends) is over \$2,650.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2004 are less than \$35,458 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2005.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice by calling 1-800-829-3676, or from the IRS website at www.irs.gov.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2004 instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit (EIC).

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2004 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2004 and owes no tax but is eligible for a credit of \$791, he or she must file a 2004 tax return to get the \$791 refund.

How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2005 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15 (Circular E), Employer's Tax Guide.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies.

2.203.020 Definitions.

The following definitions shall be applicable to this chapter:

- A. "Contractor" means a person, partnership, corporation or other entity which has a 78 with the county or a subcontract with a county contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more such contracts or subcontracts.
- B. "Employee" means any California resident who is a full-time employee of a contractor under the laws of California.
- C. "Contract" means any agreement to provide goods to, or perform services for or on behalf of, the county but does not include:
 - 1. A contract where the board finds that special circumstances exist that justify a waiver of the requirements of this chapter; or
 - 2. A contract where federal or state law or a condition of a federal or state program mandates the use of a particular contractor; or
 - 3. A purchase made through a state or federal contract; or
 - 4. A monopoly purchase that is exclusive and proprietary to a specific manufacturer, distributor, or reseller, and must match and inter-member with existing supplies, equipment or systems maintained by the county pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, section P-3700 or a successor provision; or
 - 5. A revolving fund (petty cash) purchase pursuant to the Los Angeles County Fiscal Manual, section 4.4.0 or a successor provision; or

6. A purchase card pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, section P-2810 or a successor provision; or
 7. A non-agreement purchase with a value of less than \$5,000 pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, section A-0300 or a successor provision; or
 8. A bona fide emergency purchase pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, section PP-1100 or a successor provision.
- D. "Full time" means 40 hours or more worked per week, or a lesser number of hours if the lesser number is a recognized industry standard as determined by the chief administrative officer or the contractor has a long-standing practice that defines a full-time schedule as less than 40 hours per week.

2.203.030 Applicability.

This chapter shall apply to contractors who enter into contracts that commence after July 11, 2002. This chapter shall also apply to contractors with existing contracts which are extended into option years that commence after July 11, 2002. Contracts that commence after May 28, 2002, but before July 11, 2002, shall be subject to the provisions of this chapter only if the solicitations for such contracts stated that the chapter would be applicable.

2.203.040 Contractor Jury Service Policy.

A contractor shall have and adhere to a written policy that provides that its employees shall receive from the contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the contractor or that the contractor deduct from the employees' regular pay the fees received for jury service.

2.203.050 Other Provisions.

- A. Administration. The chief administrative officer shall be responsible for the administration of this chapter. The chief administrative officer may, with the advice of county counsel, issue interpretations of the provisions of this chapter and shall issue written instructions on the implementation and ongoing administration of this chapter. Such instructions may provide for the delegation of functions to other county departments.
- B. Compliance Certification. At the time of seeking a contract, a contractor shall certify to the county that it has and adheres to a policy consistent with this chapter or will have and adhere to such a policy prior to award of the contract.

2.203.060 Enforcement and Remedies.

For a contractor's violation of any provision of this chapter, the county department head responsible for administering the contract may do one or more of the following:

1. Recommend to the board of supervisors the termination of the contract; and/or,
2. Pursuant to chapter 2.202, seek the debarment of the contractor.

2.203.070. Exceptions.

- A. Other Laws. This chapter shall not be interpreted or applied to any contractor or to any employee in a manner inconsistent with the laws of the United States or California.
- B. Collective Bargaining Agreements. This chapter shall be superseded by a collective bargaining agreement that expressly so provides.
- C. Small Business. This chapter shall not be applied to any contractor that meets all of the following:

 2. Has annual gross revenues in the preceding twelve months which, if added to the annual amount of the contract awarded, are less than \$500,000; and,
 3. Is not an affiliate or subsidiary of a business dominant in its field of operation.

"Dominant in its field of operation" means having more than ten employees and annual gross revenues in the preceding twelve months which, if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

2.203.090. Severability.

If any provision of this chapter is found invalid by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect.

**COUNTY OF LOS ANGELES CONTRACTOR EMPLOYEE JURY SERVICE PROGRAM
APPLICATION FOR EXCEPTION AND CERTIFICATION FORM**

The County's solicitation for this contract/purchase order (Request for Proposal or Invitation for Bid) is subject to the County of Los Angeles Contractor Employee Jury Service Program (Program) (Los Angeles County Code, Chapter 2.203). All bidders or proposers, whether a contractor or subcontractor, must complete this form to either 1) request an exception from the Program requirements or 2) certify compliance. Upon review of the submitted form, the County department will determine, in its sole discretion, whether the bidder or proposer is excepted from the Program.

Complete Part I or Part II below, as appropriate.

Part I - Application for Exception From the Program

I request an exception from the Program for the following reason(s) (check the appropriate box(es) and attach documentation that supports your claim):

My business does not meet the definition of "contractor," as defined in the Program," because my business has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract/purchase order itself will exceed \$50,000 in any 12 month period). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of \$50,000 in any 12-month period.

My business is a small business as defined in the Program. It 1) has 10 or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are \$500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exemption will be lost and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

"Dominant in its field of operation" means having more than 10 employees, including full-time and part-time employees, and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

My business is subject to a Collective Bargaining Agreement (attach agreement) that expressly provides that it supersedes all provisions of the Program. **OR**

Part II - Certification of Compliance

My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the contract.

I declare under penalty of perjury under the laws of the State of California that the information stated above is true and correct.
