April 18, 2017 Arcadia Unified School District Board of Education Election

This Candidate Handbook and Resource Guide has been prepared to assist candidates filing for offices in the April 18, 2017 Arcadia Unified School District Board of Education Election. The handbook provides a general overview of major events and valuable information related to critical deadlines for the candidate filing process, guidelines for candidate statements, and campaign finance disclosure filing requirements.

We hope that you will find the current handbook format to be both informative and useful. Please review the information provided in this handbook carefully. Section 1 includes general candidate filing information and Section 2 includes election and campaign information. Online access to this handbook is available on our website, www.lavote.net. Daily listings of candidates filing for elective offices will also be posted to the website for public access.

Voters participating in the April 18th election will be using the INKAVOTE PLUS Voting System consisting of a voting device for marking ballot choices and a Precinct Ballot Reader (PBR) which checks for voting errors and provides an opportunity for voters to correct their ballot or request a replacement. There is also an Audio Ballot Booth available at each polling place to assist voters with specific needs to cast their votes privately and independently.

Our office staff is committed to providing the best possible service to you, your campaign staff and the voters of Los Angeles County. If you have questions or comments regarding items you would like to suggest for future candidate handbooks, please write a letter, send an e-mail to DLogan@rrcc.lacounty.gov or call me at (562) 462-2716.

Candidate Statements
California law permits local nonpartisan candidates to file a candidate statement to be printed and mailed to voters in the Official Sample Ballot Booklet. Filing of a candidate statement is not mandatory, but is permitted if the candidate desires to file and pay the appropriate fee. A local agency may opt to pay for the cost of the statement.

FORM AND STYLE

The candidate’s statement should be prepared on a form provided by this office and filed with the Declaration of Candidacy or Affidavit of Nominee and Oath or Affirmation of Allegiance form.

Statements must be neatly typed using upper and lower case letters. Use block paragraphs and single space format. Entire statements in all capital letters are not acceptable. Indentations, circles, stars, dots, italics and/or bullets cannot be accommodated. Words to be printed in **boldface** type, *underscored* and/or **CAPITALIZED** are to be clearly indicated. However, the number of letters/words that can be in **boldface**, *underscored* or **CAPITALIZED** shall not exceed 25 words per 200 word statement.

All statements should be checked by the candidate for spelling and punctuation as the elections official is not permitted to edit any material contained therein. It is recommended that you do not use dashes or hyphens at the end of a line.

ADMINISTRATIVE GUIDELINES

**FILING** – Candidate statements shall be filed with this office no later than 5:00 p.m. on the last day of the candidate filing period.

**WITHDRAWAL/CHANGES** – Statements may be withdrawn (in writing), but not changed, during the period for filing candidate papers and until 5:00 p.m. of the next business day after the close of the candidate filing period.
CANDIDATE STATEMENTS (Continued)

DEPOSIT OF ESTIMATED FEE – A deposit of the estimated payment is required at the time the candidate statement is filed. All checks are to be made payable to appropriate district.

The estimated candidate statement cost is based on printing, handling, translating and mailing of the candidate statement in the sample ballot. It is an estimated cost only and may increase or decrease substantially.

NOTE: If a statement is formatted to include numerous paragraph breaks and/or individual listings of accomplishments, endorsements, etc., the printed statement may extend to two (2) pages. In such cases, the actual cost for the statement may double and the additional cost will be billed to the candidate after the election.

ACCESS/PUBLIC EXAMINATION PERIOD

Candidate statements are confidential until the filing period ends on Friday, January 20, 2017 at 5:00 P.M. The public examination period is from Saturday, January 21, 2017 (Saturday and Sunday, office will be closed) through Monday, January 30, 2017. A fee may be charged to any person wishing to obtain a copy of the material. During this period any person may file a writ of mandate or an injunction to require any or all of the text/language to be amended or deleted. If the nomination period is extended for a particular office, the examination period for that office shall be adjusted to Thursday, January 26, 2017 through Monday, February 6, 2017*.

(E.C. § 13311)

MULTILINGUAL TRANSLATIONS

Multilingual translations of candidate statements for voter information booklets may be provided in Chinese, Japanese, Korean, Spanish, Tagalog/Filipino and Vietnamese for qualifying jurisdictions in accordance with National Voting Rights Act provisions and Department of Justice specifications. The affidavit shall be submitted by the candidate with his/her candidate statement by the specified deadline. The candidate shall certify under penalty of perjury the truth and correctness of the content of the affidavit. A determination shall be made whether or not the candidate is indigent and the local agency will notify the candidate of its findings. If a determination is made that the candidate is indigent, the local agency shall print and mail the statement without payment of the advance fee. The candidate will be billed the actual pro rata share of the cost following the election. If a determination is made that the candidate is not indigent, the candidate shall withdraw the statement or pay the requisite fee within three days of notification, excluding Saturdays, Sundays and State holidays.

NOTICE TO PERSONS SUBMITTING CANDIDATE STATEMENTS

CANDIDATE STATEMENTS LIMITED TO CANDIDATE’S OWN QUALIFICATIONS

This applies to all candidates.

The California Elections Code and case law prohibit CANDIDATES from making any reference to another candidate or to another candidate’s qualification, character or activities. If the COUNTY ELECTIONS OFFICIAL discovers improper content in a candidate statement, the COUNTY ELECTIONS OFFICIAL will notify the candidate and give the individual an opportunity to correct the improper language in the candidate statement. If the candidate refuses to correct the improper language, the COUNTY ELECTIONS OFFICIAL, as well as any other voter, may bring legal action against the candidate to correct the statement. The prevailing party may also be entitled to obtain attorney’s fees for bringing the action.

The COUNTY ELECTIONS OFFICIAL will not accept language in a candidate statement that in any way makes reference to other candidates or to another candidate’s qualifications, character, or activities pursuant to California Elections Code Section 13308. For these candidates, the COUNTY ELECTIONS OFFICIAL will remove the improper language from the statement and not allow it to be printed. The candidate will be notified of the improper language and its removal from the statement.

All prospective candidates may want to refer to California Elections Code Sections 13307, 13308, 13311, 13313, and 13314, as well as the California Court of Appeal ruling in Dean v. Superior Court, (1998 4th Dist.) 62 Cal. App.4th 638. However, this list is not exhaustive and candidates are solely responsible for preparation and submittal of candidate’s statements that are in conformance with the law. A copy of the above described Elections Code Sections and the Dean decision are available from our office at no cost.

Write-In Candidates
GENERAL INFORMATION FOR WRITE-IN CANDIDATES

(Election Code §§ 8600 and 8601)

A person who has not followed the usual procedure for placing his or her name on the ballot for the election may still be elected to office as a write-in candidate.

You may file the required forms to run for office as a write-in candidate no later than 14 days prior to Election Day.

A write-in candidate is not required to pay a filing fee.

NOMINATION PAPERS – The required number of signers to a write-in candidate’s nomination paper for the respective office is 20 nominating signatures.

FILING DEADLINE

FEB. 21* (Tu) E - 56* - 14 FIRST AND LAST DAY TO FILE STATEMENT OF WRITE-IN CANDIDACY
through APR. 4 (Tu)
5:00 P.M.

Write-in candidacy forms must be filed with the Registrar-Recorder/County Clerk no later than 5:00 P.M. on the 14th day prior to the election.

All candidates are urged to file the following documents as early as possible.

STATEMENT OF WRITE-IN CANDIDACY – Refer to General Information for Nomination of Candidates in Chapter 3 of Section 1 of this handbook.

CANDIDATE CAMPAIGN STATEMENT FORMS – If you have any questions regarding the completion of this form, contact the Campaign Finance Section at (562) 462-2339.

*Date adjusted due to weekend and/or holiday.
ELECTION RESULTS FOR WRITE-IN CANDIDATES

Write-in election results are not determined until the canvass is completed. California election law allows a prescribed number of days for the conduct of the official canvass. During the official canvass, write-in ballots must be individually reviewed to determine if the write-in vote is for a qualified/unqualified write-in candidate and whether a voter has overvoted. All aspects of the canvass shall be open to the public. Write-in votes are counted and certified in an election only if qualified candidates have filed the required nomination documents with the elections official.

OFFICES OMITTED FROM BALLOT – Prospective write-in candidates should note that write-in candidacy is possible only if the office appears on the ballot. When school and UDEL contests are involved, if the number of persons qualifying for the ballot does not exceed the number of offices to be filled, the election is cancelled and eligible candidates are appointed in lieu of the election. California law however, provides that for such offices a petition indicating that a write-in campaign will be conducted must have been filed with the elections official to require the office(s) be placed on the ballot by means of a petition drive. (E. C. §§ 8203 and 10515; Ed. Code § 5326)

NAME DOES NOT APPEAR ON BALLOT – If the candidate’s name does not appear on the ballot, the candidate is not entitled to a candidate statement in the Official Sample Ballot Booklet. (E. C. § 302)

WRITE-IN CANDIDATES TO BE ELECTED

A write-in candidate running for a school district governing board member office must receive more votes than any other candidate running for that office. When more than one office is to be filled, those candidates, including qualified write-in candidates, who receive the highest number of votes equal to the number of offices to be filled are elected. (E. C. § 10551)

REVIEW OF REPORTING REQUIREMENTS
Campaign Disclosure Filing Requirements for ALL Candidates and Committees

PLEASE READ CAREFULLY....

The Political Reform Act imposes certain duties and obligations on candidates, officeholders, committee treasurers and others participating in the political process. For example:

— Detailed records must be maintained for all financial activity, and contributions received for political purposes must not be commingled with personal funds.

— Campaign statements must be filed at specified times disclosing contributions received, expenditures made, and other financial information. In some cases, candidates can avoid filing long form campaign statements by submitting a “Candidate and Officeholder Campaign Statement Short Form (Form 470).”

— Campaign statements must be hand delivered or postmarked as first-class mail by the legal filing deadline date established by law. NOTE: The second pre-election statement must be filed in person or guaranteed overnight delivery. Mail which is not received by the filing officer shall be presumed not to have been sent unless the filer possesses a postal receipt establishing the date of the deposit, and the name and address of the addressee.

— The Political Reform Act provides a formula for assessing late fines of original campaign statements filed in our office. The fine is $10 per day, starting the day after the filing deadline, until the statement is filed; however, no liability may exceed the cumulative amount of reported contributions, expenditures, of the Form 460 or $100, whichever is greater.

Failure to submit a required statement is a misdemeanor. Persons who fail to submit required statements are referred to the Fair Political Practices Commission.

DEFEATED CANDIDATES
Defeated candidates must file campaign disclosure reports until the campaign committee has been terminated by filing Form 410 (see part 5).

It is recommended that campaign disclosure statements be mailed by certified mail or by purchasing a certificate of mailing. This will eliminate any question regarding receipt of your statement.

Unsigned forms are incomplete and are not considered filed until they are signed.

PART 1  
LEGISLATIVE INTENT  
Pursuant to Chapter 976, 1977 Statutes, the Legislature finds and declares:

(a) That a need exists for adequate identification of the source of campaign Appeals directed at the voters in order to assist them in making rational decisions at the polls.

(b) That by requiring such identification of campaign literature, the public is better able to evaluate the source of campaign material, may be more adequately informed, and can better distinguish between truth and falsity.

(c) That by requiring identification, anonymous attacks, which cannot adequately be responded to in the heat of a campaign, will be discouraged.

(d) That by requiring identification, a candidate who believes he or she has been libeled may more readily seek redress in a civil action for damages.

(e) That limiting identification requirements to pejorative campaign material is inadequate because subtle attacks on candidates or measures can be framed which appear to be supportive but, in fact, are pejorative.

(f) That a distinction needs to be made between campaign materials of small size that usually carry little more than a “Vote for_____” message, such as is often the case with buttons, matchbooks, pens, and the like, on the one hand, and campaign materials which carry more complex messages, on the other. In the case of the former, because of their characteristically small size and limited content, it would be an undue burden to require that identification as to source be included.

PART 2  
MASS MAILINGS  

Definition.  
“Mass mailing” means over two hundred substantially similar pieces of mail, but does not include a form letter or other mail which is sent in response to an unsolicited request, letter or other inquiry.  
Gov. Code § 82041.5

Manner of sending mass mailings.  
(a) Except as provided in subdivision (b), no candidate or committee shall send a mass mailing unless the name, street address, and city of the candidate or committee are shown on the outside of each piece of mail in the mass mailing and on at least one of the inserts included within each piece of such mailing in no less than 6-point type. A post office box may be stated in lieu of a street address if the organization's address is a matter of public record with the Secretary of State.
(b) If the sender of the mass mailing is a single candidate or committee, the name, street address, and city of the candidate or committee need only be shown on the outside of each piece of mail.

(c) If the sender of a mass mailing is a controlled committee, the name of the person controlling the committee shall be included in addition to the information required by subdivision. Gov. Code § 84305

Newsletter or mass mailing.
No newsletter or other mass mailing shall be sent at public expense. Gov. Code § 89001

PART 3
TRUTH IN ENDORSEMENTS LAW

Legislature’s findings.
The Legislature hereby finds the following to be true:

(1) The major political parties have become an integral part of the American governmental system requiring regulation as to their structure, governing bodies, and functions by state government in the public interest.

(2) The Legislature has found it necessary and appropriate in the regulation of political parties to create and provide for the convening of state conventions, state central committees, and county central committees for parties qualified by law to participate in the direct primary election, by statute.

(3) Over the several years preceding the adoption of this section organizations of electors using as a part of their names the name of a political party qualified to participate in the direct primary election have endorsed candidates for nomination of that party for partisan office in the direct primary election and have publicized and promulgated such endorsements in a manner which has resulted in considerable public doubt and confusion as to whether such endorsements are those of a private group of citizens or of an official governing body of a political party.

(4) The voting public is entitled to protection by law from deception in political campaigns in the same manner and for the same reasons that it is entitled to protection from deception by advertisers of commercial products. E. C. § 20001

Restraining order or injunction.
The superior court, in any case brought before it by any registered voter, may issue a temporary or permanent restraining order or injunction against the publication, printing, circulation, posting, broadcasting, or telecasting of any matter in violation of this chapter, and all cases of this nature shall be in a preferred position for purposes of trial and appeal, so as to assure the speedy disposition thereof. E. C. § 20006
Representation requirements.
No candidate or committee in his or her behalf shall represent in connection with an election campaign, either orally or in campaign material, that the candidate has the support of a committee or organization which includes as part of its name the name or any variation upon the name of a qualified political party with which the candidate is not affiliated, together with the words “county committee,” “central committee,” “county,” or any other term that might tend to mislead the voters into believing that the candidate has the support of the party’s county central committee or state central committee, when that is not the case.

This section shall not be construed to prevent a candidate or committee from representing that the candidate has the support of a committee or group of voters affiliated with another political party, which committee or group is identified by the name of that party, where the name of the committee or group also includes the name of the candidate.

Any member of a county central committee or state central committee may commence an action in the superior court to enjoin misrepresentation by a candidate or committee in his or her behalf, in the manner prohibited by this section, to the effect that the candidate has the support of the state or county central committee involved.

E. C. § 20007

Political advertisement requirements.
Any paid political advertisement that refers to an election or to any candidate for state or local elective office and that is contained in or distributed with a newspaper, shall bear on each surface or page thereof, in type or lettering at least half as large as the type or lettering of the advertisement or in 10-point roman type, whichever is larger, the words “Paid Political Advertisement.” The words shall be set apart from any other printed matter.

As used in this section “paid political advertisement” shall mean and shall be limited to, published statements paid for by advertisers for purposes of supporting or defeating any person who has filed for an elective state or local office.

E. C. § 20008

Simulated ballot requirements.
(a) Every simulated ballot or simulated sample ballot shall bear on each surface or page thereof, in type or lettering at least half as large as the type or lettering of the statement or words or in 10-point roman type, whichever is larger, in a printed or drawn box and set apart from any other printed matter, the following statement:

```
“NOTICE TO VOTERS”
(Required by Law)
“This is not an official ballot or an official sample ballot prepared by the county elections official or the Secretary of State.”
“This is an unofficial, marked ballot prepared by ___________ (insert name and address of the person or organization responsible for preparation thereof).”
```
GENERAL CAMPAIGN INFORMATION (Continued)

Nothing in this section shall be construed to require this notice in any editorial or other statement appearing in a regularly published newspaper or magazine other than a paid political advertisement.

(b) No simulated ballot or simulated sample ballot referred to in subdivision (a) shall bear any official seal or the insignia of any public entity, nor shall that seal or insignia appear upon the envelope in which it is mailed or otherwise delivered.

(c) The superior court, in any case brought before it by any registered voter, may issue a temporary or permanent restraining order or injunction against the publication, printing, circulation, posting, or distribution of any matter in violation of this section, and all cases of this nature shall be in a preferred position for purposes of trial and appeal, so as to assure the speedy disposition thereof.

E. C. § 20009

No pictures of candidates in campaign material.

(a) Except as provided in subdivision (b) no person, firm, association, corporation, campaign committee, or organization may, with actual malice, produce, distribute, publish, or broadcast campaign material that contains (1) a picture or photograph of a person or persons into which the image of a candidate for public office is superimposed or (2) a picture or photograph of a candidate for public office into which the image of another person or persons is superimposed. “Campaign material” includes, but is not limited to, any printed matter, advertisement in a newspaper or other periodical, television commercial, or computer image. For purposes of this section, “actual malice” means the knowledge that the image of a person has been superimposed on a picture or photograph to create a false representation, or a reckless disregard of whether or not the image of a person has been superimposed on a picture or photograph to create a false representation.

(b) A person, firm, association, corporation, campaign committee, or organization may produce, distribute, publish, or broadcast campaign material that contains a picture or photograph prohibited by subdivision (a) only if each picture or photograph in the campaign material includes the following statement in the same point size type as the largest point size type used elsewhere in the campaign material: “This picture is not an accurate representation of fact.” The statement shall be immediately adjacent to each picture or photograph prohibited by subdivision (a).
(c) (1) Any registered voter may seek a temporary restraining order and an injunction prohibiting the publication, distribution, or broadcasting of any campaign material in violation of this section. Upon filing a petition under this section, the plaintiff may obtain a temporary restraining order in accordance with Section 527 of the Code of Civil Procedure.

(2) A candidate for public office whose likeness appears in a picture or photograph prohibited by subdivision (a) may bring a civil action against any person, firm, association, corporation, campaign committee, or organization that produced, distributed, published, or broadcast the picture or photograph prohibited by subdivision (a). The court may award damages in an amount equal to the cost of producing, distributing, publishing, or broadcasting the campaign material that violated this section, in addition to reasonable attorney’s fees and costs.

(d) (1) This act shall not apply to a holder of a license granted pursuant to the Federal Communications Act of 1934 (47 U.S.C. § 151 et seq.) in the performance of the functions for which the license is granted.

(2) This act shall not apply to the publisher or an employee of a newspaper, magazine, or other periodical that is published on a regular basis for any material published in that newspaper, magazine, or other periodical. For purposes of this subdivision, a “newspaper, magazine, or other periodical that is published on a regular basis” shall not include any newspaper, magazine, or other periodical that has as its primary purpose the publication of campaign advertising or communication, as defined by Section 304.

E. C. § 20010

PART 4

PRINTING OF SIMULATED SAMPLE BALLOTS

In addition to any other penalty, any person who prints or otherwise duplicates, or causes to be printed or duplicated, a simulated ballot or simulated sample ballot that does not contain the statement required by Section 20009 or that uses an official seal or insignia in violation thereof, is guilty of a misdemeanor.

E. C. § 18301

PART 5

VOTE BY MAIL BALLOT APPLICATION

Before you do anything else, contact your local elections official. The local elections official can assist you in your Vote By Mail voter drive. He or she can provide information to ensure that your application format is correct, as well as other important details. Failure to make early contact with the elections official could result in delays or problems which might interfere with your intended goal of enabling people to Vote By Mail.

If you need assistance or have any further questions concerning use of the Vote By Mail voter application form, please call the Vote By Mail Voting Section at 1-800-815-2666 Option 2.

Non-conforming vote by mail application.
Any individual, group, or organization that knowingly distributes any application for a vote by mail ballot that does not conform to Chapter 1 (commencing with Section 3000) of Division 3 is guilty of a misdemeanor.  

E. C. § 18402
Important Vote By Mail ballot application information
Some of the important points you need to be aware of in your effort to distribute applications for Vote By Mail ballots include:

(1) In order to ensure accuracy, the voter should fill out all the information on the application himself or herself. The law does, however, permit the following information to be preprinted on the application form prior to distribution to the voter:

   (a) The voter’s name and residence address as they appear on the voter’s affidavit of registration.

   (b) The name and date of the election for which the Vote By Mail ballot is being requested.

   (c) The deadline date by which the application must be received by the elections official.

(2) There is a separate section of the form for the voter to indicate a “mailing address” if he or she receives mail at an address other than his or her residence address. This section of the form may only be completed by the voter (mailing address information may not be printed by the person, group or organization distributing the applications).

(3) The voter must personally affix his or her signature.

(4) The mailing address to which a Vote By Mail ballot is requested to be sent may not be the address of any political party, political campaign headquarters, or a candidate’s residence. This provision, of course, does not apply to the candidate or the candidate’s immediate family members or housemates who requests that a Vote By Mail ballot be mailed to the candidate’s residence address.

(5) Any application containing preprinted information shall contain the following statement (verbatim):

   You have the legal right to mail or deliver this application directly to the local elections official of the county where you reside.

   This statement must be conspicuously printed on the application form.

(6) The name, address and telephone number of any organization, individual or group which authorizes the distribution of applications shall be printed on the application.

(7) Any individual, organization or group that distributes applications for Vote By Mail voter ballots and receives completed application forms back from voters shall deliver the forms to the appropriate elections official within 72 hours of receiving the completed forms. Note that Elections Code § 18576 makes it a misdemeanor to delay the proper return of a Vote By Mail voter application.
(8) Any application for a Vote By Mail voter’s ballot which is sent by a group or organization to a voter shall be sent by non-forwardable mail.

(9) Any individual, group or organization that knowingly distributes any application for a Vote By Mail ballot that does not conform to Chapter 1 (commencing with Section 3000) of division 3 is guilty of a misdemeanor.

FEDERAL LAW PROHIBITING FOREIGN NATIONALS FROM MAKING CONTRIBUTIONS OR EXPENDITURES

Federal law prohibits foreign nationals from making contributions or expenditures in connection with any U.S. election (federal, state, or local), either directly or through another person. This prohibition applies to foreign-owned corporations and associations, as well as to foreign governments, political parties and certain individuals and partnerships. Additionally, U.S. candidates for federal, state and local offices are prohibited from accepting contributions from these sources.

The ban on political contributions and expenditures by foreign nationals was first enacted in 1966 as part of the amendments to the Foreign Agents Registration Act (FARA), an “internal security” statute. The goal of the FARA was to minimize foreign intervention in U.S. elections by establishing a series of limitations on foreign nationals. These included registration requirements for the agents of foreign principals and general prohibition on political contributions by foreign nationals. In 1974, the prohibition was incorporated into the Federal Campaign Act which gave the Federal Election Commission (FEC) jurisdiction over its enforcement and interpretation.

If you have any questions on this matter, please call the FEC in Washington, D.C. at 800 424-9530 or (202) 694-1120.

CHAPTER 3

MULTILINGUAL VOTING SERVICES
BACKGROUND

Public Law 109-246 extended the Voting Rights Act of 1965 (VRA) to federally mandate that Los Angeles County provide written and oral election assistance to limited-English, Chinese, Japanese, Korean, Spanish, Tagalog/Filipino and Vietnamese-speaking voters. In January 2000, the Department of Justice further directed this office to transliterate the names of candidates in those languages that do not use Roman Characters. (Transliteration is the process of reproducing phonetic sounds as closely as possible from one alphabet or writing system into another.) These languages include Chinese, Hindi, Japanese, Khmer, Korean and Thai.

TRANSLATION OF ELECTION MATERIALS

A language is considered to be covered by the Voting Rights Act (VRA) and thus mandatory for translation of election materials if 1) more than 5% of the citizens of voting age are members of a single language minority and are limited English proficient (LEP) or 2) more than 10,000 of the citizens of voting age are members of a single language minority and are limited English proficient.

Although the VRA has established a 5% threshold for languages to be covered, Los Angeles County has set a 3% standard as established by the State Elections Code (§14201.) to provide minority language materials in every election. If the number of eligible voters for a specific language is higher or equal to the 3% criteria, that language qualifies for translation. Languages that fall under the 3% criteria do not qualify for translation. This criteria not only identifies the election district/city areas throughout the county with a cost-effective method of meeting the VRA requirements, but also helps minimize printing/translation costs for election jurisdictions. The nine minority languages that are required by federal mandates in Los Angeles County are Chinese, Hindi, Japanese, Khmer, Korean, Spanish, Tagalog/Filipino, Thai and Vietnamese.

IMPLICATIONS TO CANDIDATE COST

The County will automatically provide translated sample ballot booklets to voters who request it two weeks before the election and after they received the English sample ballot booklet. However, as noted in the Candidate Statements (see Chapter 4) there is a cost for a Spanish translated candidate statement which appears in the English sample ballot booklet. This translation is optional and the candidate needs to make a request for this service and pay for it when he/she files candidate statements with the county elections official.
TRANSLATION OF CANDIDATE STATEMENTS

Candidates are encouraged to keep the translation process in mind when developing their statements, and use unmistakable and straightforward vocabulary. The use of jargon, colloquialisms, slang, or other expressions is strongly discouraged, as these are difficult to translate appropriately into other languages and their meaning may often be misinterpreted or lost.

It is not the policy of this Department to accept translated statements from candidates. This is to ensure that translated materials are culturally and linguistically appropriate. Certified subject matter experts and linguists, who have extensive experience translating election materials, translate these statements and other documents.

TRANSLITERATION OF CANDIDATE NAMES

For certain languages, this department will transliterate your name. Candidate names will be transliterated to Chinese, Hindi, Japanese, Khmer, Korean and Thai. Candidates will also be permitted to submit their own transliterations for each or all of these languages. A review period will be established to allow candidates to request changes prior to the translated sample ballot print deadline. Various minority community groups and news media assist this office by reviewing submitted transliterations to insure uniform name recognition within the community. Once transliterations are considered final, no further changes or submission of transliteration requests will be accepted after the review period. There will be no exceptions.

All candidates will be required to file a transliteration form (see next page) together with their nomination documents. Transliteration forms must be submitted no later than the last day to file nomination documents.

TRANSLITERATION REVIEW PERIOD

Candidates may review transliteration of their names. Requests for changes must be submitted to the county elections official only during the established review period. Timeframe: E-62 through E-60 (subject to change). To review your transliterated name and obtain the schedule for the established review period, you may call (562) 462-2730.

MULTILINGUAL VOTER SERVICES

In compliance with federal law and local ordinance, we provide services to voters who require assistance in Chinese, Hindi, Japanese, Khmer, Korean, Spanish, Tagalog/Filipino, Thai and Vietnamese.

CHAPTER 4

ELECTION DAY
ENHANCED VOTING SYSTEM – INKAVOTE PLUS

Voters will be using the InkaVote Plus voting system at all voting precincts on Election Day. InkaVote Plus enhances the existing InkaVote optical scan system to comply with federal Help America Vote Act (HAVA) requirements. The enhanced system allows disabled voters, including those who are blind and visually impaired, to cast a ballot privately and independently using an audio headset. Additionally, the InkaVote Plus system will provide all voters with the opportunity to have their ballots reviewed for errors prior to casting their votes.

After using the inking device provided to mark the InkaVote ballot, the voter will insert the ballot into the ballot reader slot. The ballot reader machine will alert the voter if a mistake occurred - for example, if a voter “overvoted” in any one contest for more candidates than allowed. The voter may then receive a replacement ballot to correct the error.
CHAPTER 5

RECOUNTS
REQUESTING A RECOUNT

A recount is conducted by the elections official for the purpose of verifying the number of votes counted for any office or measure in an election. California Elections Code Division 15, Chapter 9, Sections 15620 through 15634 govern voter requested recounts.

Who May Request a Recount?

Any voter of the state may file a request. (E.C. § 15620)

Timing of Recount Request

The request must be filed within five (5) calendar days after the completion of the official canvass. The canvass is complete when the elections official signs the Certification of the Election Results. (E.C. § 15620)

Format of Request

The request must:

- be submitted in writing. (E.C. § 15620)
- specify the contest to be recounted. (E.C. § 15620)
- state on behalf of which candidate, slate of electors, or position on a measure (affirmative or negative) it is filed. (E.C. § 15620)

The request may specify:

- the order in which precincts shall be counted. (E.C. § 15622)
- the method of counting to be used (computer, manual or both). (E.C. § 15627)
- in which county/counties the recount is sought for statewide contests. (E.C. § 15621)
- any other relevant material to be examined. (E.C. § 15630)
Requesting a Recount ( Continued)

Place of Filing

- With the county elections official responsible for conducting the election, if the contest is not voted upon statewide. \(\text{(E.C. § 15620)}\)

- With the county elections official of any or all of the affected counties if the election is conducted in more than one county. \(\text{(E.C. § 15620)}\)

- With the Secretary of State if the contest is voted upon statewide. \(\text{(E.C. § 15621)}\)

- With the City Clerk if it is a city election (or if the city has not consolidated with the county). \(\text{(E.C. § 15620)}\)

Notice of Recount

A notice stating the date and place of the recount will be posted by the elections official at least one day prior to the recount and the following persons will be notified in person or by telegram:

- All candidates for the office being recounted.

- Proponents of any initiative or referendum or persons filing ballot arguments for or against any initiative, referendum or measure to be recounted.

- The Secretary of State if the recount is for candidates for any state or federal office, delegates to a national convention, or any state measure. \(\text{(E.C. § 15628)}\)

Process of Recount

- The recount is open to the public. \(\text{(E.C. § 15629)}\)

Requesting a Recount (Continued)

Result of Recount

- The results of a recount are declared null and void unless every vote in which the contest appeared is recounted. (E.C. § 15632)

- Upon completion of a recount, if a different candidate, slate of electors, or position on a measure receives a plurality of votes, the results of the official canvass will be changed and the election results re-certified. (E.C. § 15632)

- A copy of the results of any recount conducted shall be posted conspicuously in the office of the elections official. (E.C. § 15633)

Cost and Payment
