LA County Seeking to Partner with Community Organizations on Vote Center Placement Project

LOS ANGELES – The Los Angeles County Registrar-Recorder/County Clerk (RR/CC) is seeking to partner with local community organizations to host and facilitate community meetings for the Vote Center Placement Project (VCP).

The VCP is a County initiative led by the RR/CC to locate ideal placements for future Vote Centers in the 2020 election cycle. Vote Center’s will replace traditional polling places, allowing voters 11 days to vote anywhere within the County.

Community meetings are critical to gain public input and to raise awareness on the upcoming changes to the voting experience. Community organizations should have experience facilitating large-scale meetings and be highly experienced working with local communities or stakeholder groups.

Information how to partner as a community organization can be found on our [VSAP website](#).

The mission of the Registrar-Recorder/County Clerk is to serve Los Angeles County by providing essential records management and election services in a fair, accessible and transparent manner.
