RE: March 12, 2013 Senate District 32 Special Primary Election

The Los Angeles County Registrar-Recorder/County Clerk conducts an extensive Election Observer Program. The program is part of the County's commitment to conducting open and transparent elections. Through the program, Election Observers are afforded the opportunity to observe Logic and Accuracy testing of election systems equipment, Vote By Mail Ballot processing, Election Day activities at polling locations and Check-In-Centers, tally center operations and post election processing. The enclosed Election Observer Panel Plan outlines observable activities and provides a schedule of these events.

Representatives from County Political Party Central Committees, Community Voter Outreach Committee member organizations, the Los Angeles County Grand Jury and other interested citizens are invited to participate in this program.

Individuals interested in participating in this program should contact Adolfo Gonzalez at (562) 462-2737 to confirm your attendance for each activity you are planning to attend. You are required to have a visitor badge before entry, therefore, it is important that you confirm in advance so that we have time to prepare your visitor badge and other materials, and to ensure that you do not miss out on any of the testing activities.

NOTE: Observation posts are limited. We may not be able to accommodate all observer requests. Priority will be given to political and bona fide organizations, including: County Political Party Central Committees, Community Voter Outreach Committee member organizations, and the Los Angeles County Grand Jury.
